### About Me ,

Creative and detail-oriented UI/UX Designer with 4 years of experience in designing innovative and user-centric digital products, coupled with an additional 4 years of experience in web design. Proficient in leveraging a blend of creative and analytical skills to deliver intuitive and engaging user experiences. Adept at collaborating with cross-functional teams to translate user needs and business goals into effective design solutions. Expertise includes user interface design, user experience design, and responsive design.

Skilled in using design tools like Adobe XD, Sketch, Figma, InVision, and Photoshop. Good knowledge of HTML, CSS, and basics of JavaScript facilitates seamless designer-developer collaboration. Experienced in conducting usability testing and gathering user feedback to iterate and improve designs. Strong teamwork and communication skills enable effective collaboration with developers, product managers, and stakeholders.
